Getting here

From Central Station

You will need approx. 30 minutes. Take the subway S3/S5/S7/S75 to Alexanderplatz. Then take the U-Bahn U8 heading towards Wittenau until Voltastrasse. Exit the station in the direction of the train and walk for approx. 2 minutes until you reach the elliptical building on the left side.

From Berlin-Tegel Airport

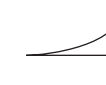

You will need approx. 40 minutes. Take the bus 128 to Osloer Strasse, then U-Bahn U8 direction Herrmannstrasse. Exit at Voltastrasse. Exit the station against the flow of the traffic and walk for approx. 2 minutes until you reach the elliptical building on the left side.

From Airport Berlin Brandenburg International BBI (Schönefeld)

By train (approx. 45 minutes) or subway (approx. 60 minutes).

Take the Airport-Express RE7 heading Rosslau or RB14 heading Nauen. Exit at Alexanderplatz, then take the U-Bahn U8 heading towards Wittenau until Voltastrasse. Exit the station in the direction of the train and walk for approx. 2 minutes until you reach the elliptical building on the left side.

Take the subway S9 heading towards Pankow. Exit at Ostkreuz and take subway S42 Ringbahn till Gesundbrunnen. Take the exit Badstrasse. From the front yard of the train station walk left along the Brunnenstrasse. At the end of the green space on the right side of the road you arrive at the elliptical building.
