

Mike Schlaich Prof. Dr. sc.techn.
 Managing Director

Personal Data

Born in Cleveland, Ohio, USA in 1960
 Graduation and dissertation from ETH Zurich
 Joined schlaich bergemann partner in 1993
 Partner since 1999
 Managing Director
 Professor at TU Berlin, Chair of Conceptual and Structural Design
 Certified proof checking engineer for structural analysis

Professional Societies

IABSE/IVBH working commission 3, concrete
 SIA - Schweizer Ingenieur- und Architektenverein
 IASS International Association for Shell and Spatial Structures
 Colegio de Ingenieros CCP, Madrid
 FIB - International Federation for Structural Concrete
 Baden-Württemberg Chamber of Engineers
 Konvent der Baukultur (Bundesstiftung Baukultur)
 Berlin-Brandenburg Academy of Sciences and Humanities

Awards

Deutscher Ingenieurbaupreis 2016, footbridge Rathenow, Germany
 Gold Medal by The Institution of Structural Engineers, London, 2015
 Ingenieurpreis des Deutschen Stahlbaues 2015 for canopy for exit of customer center of Autostadt in Wolfsburg, Germany
