

Awards

| | | | |
|------|--|------|--|
| 2022 | Auszeichnung für Beispielhaftes Bauen National Park Center Ruhenstein, Baiersbronn, Germany | 2021 | Lucy G. Moses Preservation Award of The New York Landmarks Conservancy Moynihan Train Hall, New York City, New York, USA |
| 2022 | Deutscher Ingenieurbaupreis 2022 winner: Tram bridge crossing highway A8, Stuttgart, Germany | 2021 | CTBUH Awards Best Tall Building under 100 meters 2021, Award of Excellence; CTBUH Awards, Best Tall Office Building 2021, Award of Excellence; CTBUH Awards, Best Tall Building Asia 2021, Winner: Asian Infrastructure Investment Bank (AIIB), Beijing, China |
| 2022 | ACHE Engineering Award category Building Structure: Stadium Wanda Metropolitano, Madrid, Spain | 2020 | Deutscher Brückenbaupreis 2020 category Pedestrian and Cycle Bridges: Footbridge TRUMPF, Ditzingen, Germany |
| 2021 | ECCS European Steel Design Award 2021 Outstanding Steel Construction: Elbbrücken local railway station and Metro Station Elbbrücken, Hamburg, Germany | 2020 | Quality Label "Innovative through research" 2020/2021 distinction by Stifterverband für die Deutsche Wissenschaft e.V. for the special dedication for research and development of sbp sonne gmbh |
| 2021 | National Council of Structural Engineers Associations (NCSEA) 2021 Excellence in Structural Engineering Award in the category Other Structures: Moynihan Train Hall, New York City, New York, USA | 2020 | BDA Hamburg Architektur Preis 2020 1st prize rank: Elbbrücken local railway station and Metro Station Elbbrücken, Hamburg, Germany |
| 2021 | National Council of Structural Engineers Associations (NCSEA) 2021 Excellence in Structural Engineering Award in the category New Bridges/Transportation Structures: Footbridge Seattle-Tacoma International Airport, Seattle, Washington, USA | 2020 | Commendation "20 Jahre Symposium Brückenbau in Leipzig": Railway Bridge across the Aller river near Verden, Germany |
| 2021 | 2021 ENR New York Awards Best Project in the category airport/transit and Award of Merit in the category sustainability: Moynihan Train Hall, New York City, New York, USA | 2020 | Commendation "20 Jahre Symposium Brückenbau in Leipzig": Road Bridge "Rotes Steigle" across Highway A8, Germany |
| 2021 | Urban Land Institute, New York 2021 Award for Excellence in the category Civic Development: Moynihan Train Hall, New York City, New York, USA | 2020 | Solar Impulse Efficient Solution Label of the Solar Impulse Foundation: Stellio Heliostat |
| 2021 | National Trust for Historic Preservation 2021 Richard H. Driehaus Foundation National Preservation Awards: Moynihan Train Hall, New York City, New York, USA | 2020 | Deutscher Ingenieurbaupreis 2020 commendation: Metro Station Elbbrücken, Hamburg, Germany |
| 2021 | Grand Prix National de l'Ingénierie 2021 Olympic Aquatics Centre, Paris 2024, Saint Denis, France | 2020 | 2020 NYCxDESIGN Award winner of category Building Facade: Nordstrom Flagship Podium Facade, New York City, New York, USA |
| 2021 | Iconic Awards 2021: Innovative Architecture Best of the Best Award, category Communication: multilayered - konstruktive Vielfalt, Publication 2019 in cooperation with Moniteurs Kommunikationsdesign | 2020 | German Design Award 2020 winner of category Excellent Architecture: Black Sea Arena, Batumi, Georgia |
| 2021 | WTC World Pedestrian Bridge Award of 2021 Silver Award for Footbridge TRUMPF, Ditzingen, Germany, and Hemei Bridge (Xiamen Mountains to Sea Trail), Xiamen, China | 2020 | Staatspreis Baukultur 2020 honorary mention in the category Building for education and research: University Campus III Heilbronn, Germany |
| | | 2019 | CTBUH Awards Façade Engineering Award 2019 Award of Excellence: 30 Hudson Yards - Observation Deck 'Edge', New York City, NY, USA |

Awards

- | | | | |
|------|---|------|---|
| 2019 | Prix d'Architecture en zone sismique 2019 by Association Française du Génie Parasismique (AFPS) Special Mention: New hall for the Exhibition Center in Bordeaux-Lac, France | 2019 | Ulrich Finsterwalder Ingenieurbaupreis 2019 commendation: Footbridge TRUMPF, Ditzingen, Germany |
| 2019 | Society of American Registered Architects (SARA) National Design Award Design Award of Merit: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA | 2019 | Ingenieurpreis des Deutschen Stahlbaues 2019 category buildings, award: Glass roof Capital Land Suzhou (Jinji Lake), Suzhou, China |
| 2019 | Society of American Registered Architects New York (SARA NY) Design Award of Honor: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA | 2019 | Ingenieurpreis des Deutschen Stahlbaues 2019 category bridges, award: Getwingbrücke Zermatt, Switzerland |
| 2019 | AIA New York State Honor Award: Harvard Business School Schwartz Pavilion, Boston, Massachusetts, USA | 2019 | German Design Award 2019 Special Mention: Schierker Feuerstein Arena, Schierke, Germany |
| 2019 | Structural Awards 2019 Supreme Award for Structural Engineering Excellence and Award for Long Span Structures: Tottenham Hotspur Stadium, London, Great Britain | 2018 | Bauwerk des Jahres 2018 ("Building of the year") of AIV Hamburg: Metro Station Elbbrücken, Hamburg, Germany |
| 2019 | 2019 Structural Steel Design Awards one of five Awards, and Project of the Year: Tottenham Hotspur Stadium, London, Great Britain | 2018 | Stahl-Innovationspreis 2018 category Stahl im Bauwesen, 1st prize: Metro Station Elbbrücken, Hamburg, Germany |
| 2019 | Prix Régional de la Construction Bois en Pays de la Loire winner of category Aménagement (transportation): Footbridge Laval, France | 2018 | 2018 NYCxDESIGN Award category outdoor/urban landscape, honoree: City of Dreams Pavilion Cast & Place, New York City, New York, USA |
| 2019 | 2019 Toronto Urban Design Awards Award of Merit, category Special Jury Award for Catalytic Infrastructure: Port Lands Bridges, Toronto, Canada (incl. Port Lands Flood Protection & Enabling Infrastructure Project (PLFPEIP) - Bridge Design and Engineering) | 2018 | CSP Plaza Award 2018 Globalization Contribution Award: for the outstanding contribution to the globalization of CSP (Concentrated Solar Power) |
| 2019 | 2019 SEAoNY Excellence in Structural Engineering category other structures: 20 Hudson Yards - Art Wall, New York City, USA | 2018 | Deutscher Ingenieurbaupreis 2018 commendation: Road Bridge "Rotes Steigle" across Highway A8, Stuttgart, Germany |
| 2019 | materialPREIS 2019 category material, 1. award: Footbridge TRUMPF, Ditzingen, Germany | 2018 | Deutscher Brückenbaupreis 2018 category highway and railway bridges: Bleichinsel Bridge Heilbronn, Germany |
| 2019 | IALD International Lighting Design Award 2019 Award of Excellence: Bridges in Riedlingen, Germany (one road bridge and two footbridges) | 2017 | Mejor Obra Pública (Best Public Work) 2017 by Colegio de Ingenieros de Caminos, Canales y Puertos de Madrid: Stadium Wanda Metropolitano, Madrid, Spain |
| 2019 | Deutscher Lichtdesign-Preis 2019 category Exterior Lighting / Staging: Bridges in Riedlingen, Germany (one road bridge and two footbridges) | 2017 | WAFX Prize 2017 category Building Technology: Energy and Future Storage Tower, Heidelberg, Germany |
| | | 2017 | Footbridge Awards 2017 category medium span, joint winner: Weinbergbrücke - Federal Garden Show 2015 Havel Region, Rathenow, Germany |
| | | 2017 | CSP Plaza Award 2017 Technology Innovation Award: Stellio Heliostat first CSP award ever in China |

Awards

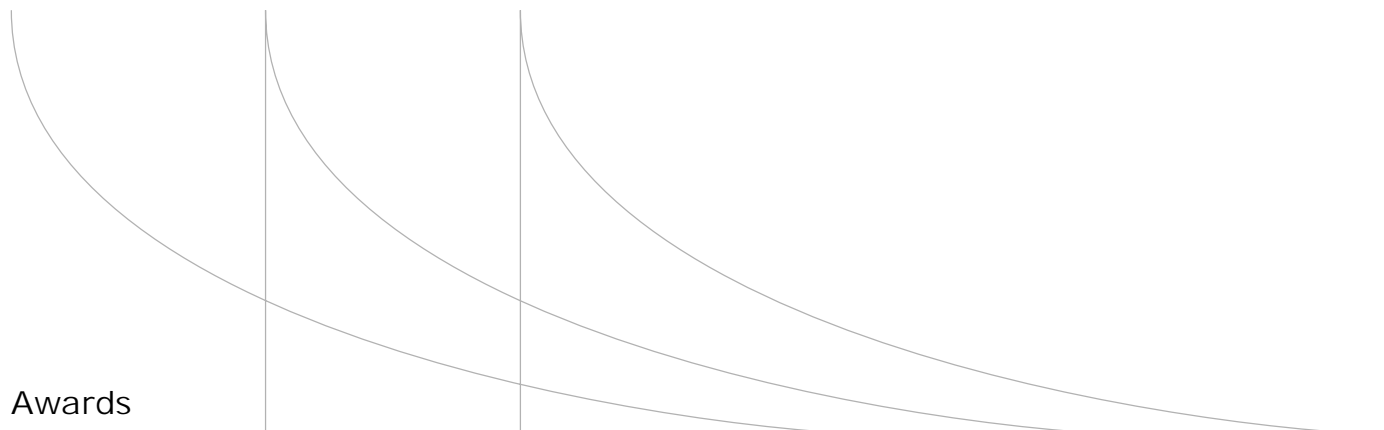

- | | | | |
|------|---|------|--|
| 2017 | Ingenieurpreis des Deutschen Stahlbaues 2017 category bridges, winner: Railway Bridge across the Aller river near Verden, Germany; commendation: Passerelle de la Paix, Lyon, France | 2015 | Trophées Eiffel d'architecture acier 2015 category bridges, winner: Bridge to Mont Saint-Michel, France |
| 2017 | AIA New York State Award of Citation: Duke University West Union Bridge, Durham, North Carolina, USA | 2015 | European Steel Design Awards 2015 Award of Excellence, Public and Cultural Category, Winner: Arena da Amazônia, Manaus, Brazil |
| 2016 | AIA North Carolina Honor Award: Duke University West Union Bridge, Durham, North Carolina, USA | 2015 | Ingenieurpreis des Deutschen Stahlbaues 2015 category buildings, winner: Canopy for exit of customer center of Autostadt in Wolfsburg, Germany category buildings, commendation: Stadium Maracanã (Estádio Jornalista Mário Filho), Rio de Janeiro, Brazil |
| 2016 | Ulrich Finsterwalder Ingenieurbaupreis 2017 commendation: Tram Stop at Berlin Main Train Station, Germany | 2015 | Ulrich Finsterwalder Ingenieurbaupreis 2015 commendation: Ultimate Trough Testloop, California, USA commendation: Railway Bridge Grubental, new railway route Ebensfeld - Erfurt, Germany |
| 2016 | Stadium of the Year Competition 2016 2. Position of Public Vote: Stadium FK Krasnodar, Russia 3. Position of Jury Vote: Stadium FK Krasnodar, Russia | 2014 | Stadium of the Year Competition 2014 1. Position of Jury Vote: Hazza Bin Zayed Stadium, Al Ain, Abu Dhabi, UAE 2. Position of Jury Vote: Arena da Amazônia, Manaus, Brazil |
| 2016 | CSP Today International Awards 2016 category CSP Engineering Performance Award 2016, winner: sbp sonne for developing the analysis tool sbpRAY and optimizing Stello solar fields | 2014 | Footbridge Awards 2014 category short span, highly commended: Footbridge Bleichwiese Backnang, Germany category medium span, highly commended: Bridge Sculpture "Slinky springs to fame", Oberhausen, Germany Jonathan Speirs Footbridge Lighting Award, highly commended: Bridge Sculpture "Slinky springs to fame", Oberhausen, Germany |
| 2016 | Deutscher Ingenieurbaupreis 2016 commendation: Weinbergbrücke - Federal Garden Show 2015 Havel Region, Rathenow, Germany shortlist: Exzenterhaus Bochum, Germany; Tram Stop at Berlin Main Train Station, Germany | 2014 | NSBA 2014 Steel Bridge Competition category Special Purpose, Bridge Award for outstanding design in structural steel - structural design: Phyllis Tilley Memorial Bridge, Fort Worth, Texas, USA category Special Purpose, Merit Award for outstanding design in structural steel - structural design: Christina and John Markey Memorial Bridge, Revere, Massachusetts, USA |
| 2016 | Quality Label "Innovative through research" 2016/2017 distinction by Stifterverband für die Deutsche Wissenschaft e.V. for the special dedication for research and development of sbp sonne gmbh | 2014 | Quality Label "Innovative through research" 2014/2015 distinction by Stifterverband für die Deutsche Wissenschaft e.V. for the special dedication for research and development of sbp sonne gmbh |
| 2016 | Progressive Architecture Awards 2016 one of five winners: Artes Amant - Private Art Gallery in Brooklyn, New York, USA | 2014 | Preis des Deutschen Stahlbaues 2014 commendation: Dongguan Gymnasium, Dongguan, China commendation: Porsche Pavilion Autostadt Wolfsburg, Germany |
| 2015 | Prix National de la Construction Bois 2015 category structures, 1st prize: Bridge to Mont Saint-Michel, France | | |
| 2015 | Équerre d'argent 2015 category bridge construction, winner: Bridge to Mont Saint-Michel, France | | |
| 2015 | SolarPACES 2015 Technology Innovation Award Stello Heliostat | | |

Awards

- | | | | |
|------|--|------|--|
| 2014 | Deutscher Brückenbaupreis 2014 category road and railway bridges: Railway Bridge Gänsebachtal, Erfurt - Leipzig/Halle, new railway route, Germany | 2012 | Outstanding Achievement Award Tensile Structures National Sports Complex Olimpiyskiy, Kiev, Ukraine |
| 2014 | 2014 SEAoNY Excellence in Structural Engineering category other structures: Consol Energy Wingtip Bridge (BoyScouts Bridge), Glen Jean, West Virginia, USA | 2012 | IFAI International Achievement Awards 2012 category Miscellaneous, Award of Excellence: BC Place, Vancouver, Canada |
| 2014 | AIA 2014 Design Awards Project Merit Award: Sinthian Cultural Center and Artists' Residence, Sinthian, Senegal | 2012 | 13. Ingenieurbau-Preis National Stadium Warsaw, Poland |
| 2013 | CSP Today International Awards 2013 CSP Engineering Performance Award: design of steel structures for concentrated solar thermal power systems | 2012 | Daylight Spaces 2012 honorary mention: Christlicher Garten Berlin, Germany |
| 2013 | IOC/IAKS Award 2013 category Major Outdoor Stadiums, Gold: Bao'an Stadium Shenzhen, China category Major Outdoor Stadiums, Bronze: National Stadium Warsaw, Poland category Pools and Wellness Facilities, Gold: SOSC Shanghai Oriental Sports Center, Shanghai, China | 2012 | ECCS Award for steel bridges 2012 certificate of merit: Bridge Sculpture „Slinky springs to fame”, Oberhausen, Germany |
| 2013 | BSA Design Awards 2013 Honor Awards for Design Excellence: East River 34th Street Ferry Terminal, New York, USA | 2012 | Designpreis Automotive Brand Award 2012 „Best of Best - Architektur“: Porsche Pavilion Autostadt Wolfsburg, Germany |
| 2013 | SolarPACES 2013 Technology Innovation Award Ultimate Trough® parabolic trough collector | 2012 | Stahl-Innovationspreis 2012 category Bauteile und Systeme aus Stahl für das Bauen, 1st prize: Bridge Sculpture „Slinky springs to fame”, Oberhausen, Germany |
| 2013 | 2013 Engineering Excellence Awards American Council of Engineering: National Recognition Award ACEC Texas: Eminent Conceptor ACEC Texas: Structural Systems, Gold Medal Winner Phyllis Tilley Memorial Bridge, Fort Worth, Texas, USA | 2012 | World Stadium Awards 2012 engineering excellence in stadium development: Moses Mabhida Stadium, Durban, South Africa the best multifunctional stadium design: National Stadium Warsaw, Poland most innovative use of technology in stadium design: National Stadium Warsaw, Poland |
| 2013 | ENR Global Best Projects Awards best project: Rehabilitation Stadium BC Place, Vancouver, Canada | 2012 | Global Holcim Innovation prize 2012 2nd prize: Smart Material Houses, International Building Exhibition (IBA) Hamburg, Germany |
| 2012 | Ingenieurpreis des Deutschen Stahlbaues 2013 category buildings, commendation: National Stadium Warsaw, Poland category buildings, commendation: Porsche Pavilion Autostadt Wolfsburg, Germany | 2012 | CEEQA-Awards 2012 (Central & Eastern European Real Estate Quality Awards) National Stadium Warsaw, Poland |
| 2012 | Award of Excellence Tensile Structures National Stadium Warsaw, Poland | 2011 | IOC/IAKS Award 2011 Gold: Greenpoint Stadium, Cape Town, South Africa Silver: Soccer City Stadium, Johannesburg, South Africa Bronze: Nelson Mandela Bay Stadium, Port Elizabeth, South Africa |
| | | 2011 | 2011 Chinese Gold Medal Award of Steel Structure Universiade Sports Center Shenzhen, China |

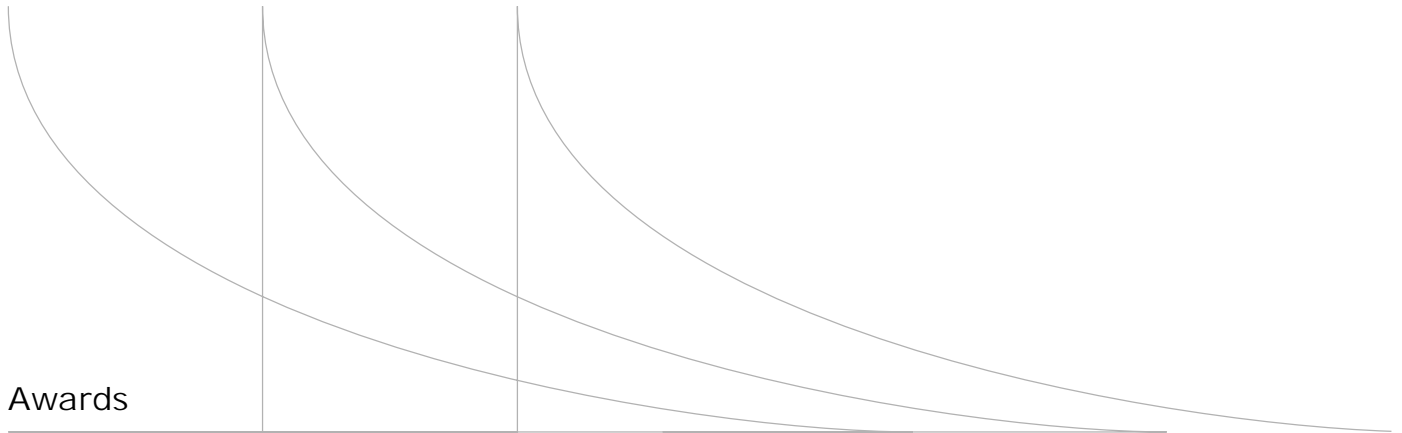

Awards

| | | | |
|------|--|------|--|
| 2011 | 2011 Chinese Excellent Design Award of Steel Structure Universiade Sports Center Shenzhen, China | 2009 | Prix d`excellence 2009, ICCA-Québec Nelson Mandela Bay Stadium, Port Elizabeth, South Africa |
| 2011 | Supreme Award for Structural Excellence 2011 London Olympic Velodrome, Great Britain | 2009 | SAISC Steel Awards 2009 category Sports Stadia, winner: Soccer City Stadium, Johannesburg, South Africa |
| 2011 | Better Public Building Award 2011 London Olympic Velodrome, Great Britain | 2009 | DETAIL Preis 2009 Monumento 11M, Madrid, Spain |
| 2011 | The Stadium Business Award 2011 winner: London Olympic Velodrome, Great Britain winner: Soccer City Stadium, Johannesburg, South Africa | 2008 | Best LIFE Environment Projects 2007-2008 by the European Commission one of 21 'Best of the Best projects': Super C - Students Service Center, RWTH Aachen, Germany |
| 2011 | Regional Holcim Awards 2011 Europe Acknowledgement prize: Smart Material Houses, International Building Exhibition (IBA) Hamburg, Germany | 2008 | Balthasar-Neumann-Preis 2008 Monumento 11M, Madrid, Spain |
| 2011 | Footbridge Award 2011 winner: Footbridge Harbour Grimberg, Gelsenkirchen, Germany highly commended: Glass footbridge, Lisbon, Portugal highly commended: Passerelle La Défense, Paris, France | 2008 | Deutscher Brückenbaupreis 2008 category road and railway bridges: Humboldthafen Bridge, Berlin, Germany |
| 2010 | SAISC, Steel Awards 2010 overall winner: Greenpoint Stadium, Cape Town, South Africa | 2008 | Footbridge Awards 2008 category technical - long span, highly recommended: Nesse Bridge Leer, Germany |
| 2010 | Preis des Deutschen Stahlbaues 2010 Greenpoint Stadium, Cape Town, South Africa | 2008 | Waterfront Center Excellence: 2008 Annual Honor Award Liberty Bridge, Greenville, South Carolina, USA |
| 2010 | Deutscher Brückenbaupreis 2010 category pedestrian and bicycle bridges: Footbridge Sassnitz, Germany | 2007 | Outstanding Structure Award 2007 new roof of Commerzbank-Arena Frankfurt (former Waldstadion), Germany |
| 2010 | ECCS Awards for steel bridges 2010 category pedestrian and cycle bridges: Footbridge Harbour Grimberg, Gelsenkirchen, Germany | 2007 | zumtobel group award Solar Updraft Tower |
| 2010 | Green Good Design Award Climatic covers for commercial areas | 2006 | Ingenieurbau-Preis 2006 Main Train Station, Berlin, Germany |
| 2010 | SolarPACES 2010 Technology Innovation Award EuroTrough parabolic trough collector | 2006 | Outstanding Structure Award 2006 Central Bus Station (ZOB) Hamburg, Germany |
| 2010 | CSP Today International Awards 2010 category CSP Innovation, winner: HelioTrough | 2006 | OCEA Award of Merit Liberty Bridge, Greenville, South Carolina, USA |
| 2009 | IOC/IAKS Award 2009, Silver Stadium Foshan, China | 2005 | Footbridge Awards 2005 aesthetics (medium span), winner: Liberty Bridge, Greenville, South Carolina, USA technology (long span), winner: Footbridge across Gahlensche Strasse, Bochum, Germany |
| 2009 | Chinese National steel structure award 2009 Gymnasium of Universiade Sports Center Shenzhen, China | | |
| 2009 | Steel structure award of Province Canton 2009 Gymnasium of Universiade Sports Center Shenzhen, China | | |

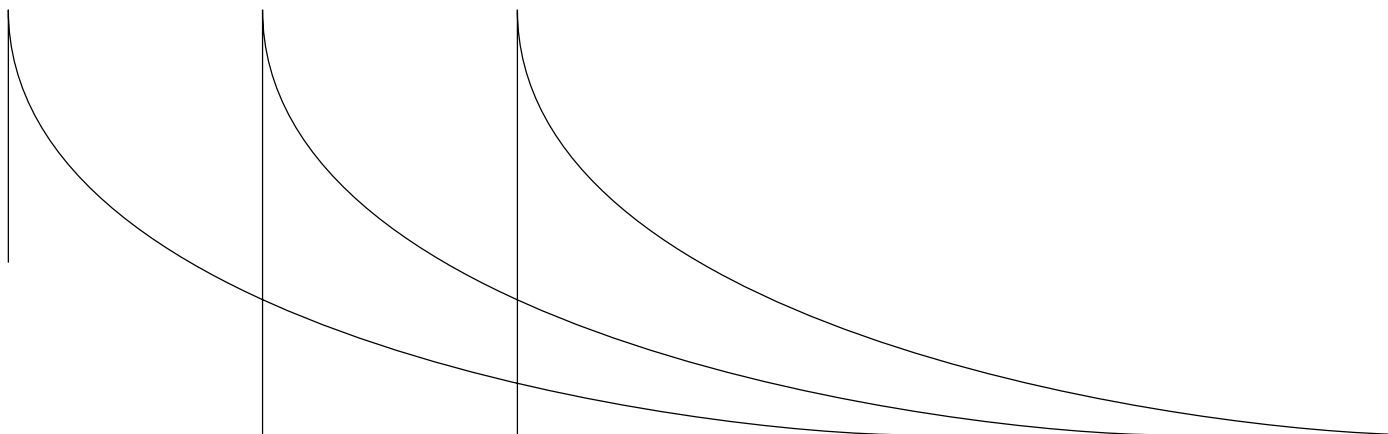

Awards

- | | | | |
|------|--|------|---|
| 2005 | Engineers' Society of Western Pennsylvania - Arthur G. Hayden Medal Liberty Bridge, Greenville, South Carolina, USA | 2000 | Holzbaupreis Nordrhein-Westfalen 2000 Training Academy Mont-Cenis, Herne, Germany |
| 2004 | Auszeichnung für Beispielhaftes Bauen City lightrail Heilbronn - glass canopy station plaza, Germany | 2000 | Balthasar-Neumann-Preis 2000 Trade Fair Halls 8/9 and 13, Hanover, Germany |
| 2004 | Ingenieurbau-Preis commendation: Footbridge across Gahlensche Strasse, Bochum, Germany | 2000 | Preis des Deutschen Stahlbaues 2000 award: Pedestrian Bridges EXPO 2000, Hanover, Germany commendation: Trade Fair Hall 13, Hanover, Germany |
| 2003 | AIV Architekten- und Ingenieurverein Hamburg: Bauwerk des Jahres 2003 Central Bus Station (ZOB) Hamburg, Germany | 2000 | RENAULT traffic design award 2000 award - footbridges: Footbridge over the Inner Harbour, Duisburg, Germany award - road bridges: Bridge over Nesenbach Valley, Stuttgart, Germany honorary mention - footbridges: Bike Path Bridge Minden (Glacis Bridge), Germany |
| 2003 | Engineers' Society of Western Pennsylvania: Arthur G. Hayden Medal Footbridge over the Inner Harbour, Duisburg, Germany | 1999 | Architekturpreis Beton honorary mention: Glacis Bridge Ingolstadt, Germany |
| 2003 | Hugo-Häring-Preis Panoramic Tower Killesberg, Stuttgart, Germany | 1999 | BDA - Auszeichnung Guter Bauten Lookout tower with footbridge Weil am Rhein, Germany |
| 2002 | Ingenieurbau-Preis commendation: Panoramic Tower Killesberg, Stuttgart, Germany | 1998 | Preis des Deutschen Stahlbaues 1998 Trade Fair Hall 26, Hanover, Germany |
| 2002 | Footbridge Awards 2002 category technology - medium span: Footbridge over the Inner Harbour, Duisburg, Germany | 1998 | Ingenieurbau-Preis 1998 Glacis Bridge Ingolstadt, Germany |
| 2002 | RENAULT traffic design award 2002 award: Werrekuss Bridge, Bad Oeynhausen, Germany award: Airport Leipzig/Halle, multi-storey parking garage, Germany award: City lightrail Heilbronn - glass canopy station plaza, Germany honorary mention: Footbridge across National Highway B 312, Reutlingen, Germany | 1997 | Besondere Auszeichnung des Europäischen Preises für Industriearchitektur Production Hall Škoda , Mladá Boleslav, Czech Republic |
| 2002 | Auszeichnung für Beispielhaftes Bauen Panoramic Tower Killesberg, Stuttgart, Germany | 1996 | Sächsischer Staatspreis für Architektur und Bauwesen 1996 Traffic Infrastructure New trade Fair Leipzig, Germany: Merkur Promenade, Merkur Bridge |
| 2002 | BDA - Auszeichnung Guter Bauten City lightrail Heilbronn - glass canopy station plaza, Germany Protection Roof for Roman Bath Ruins, Badenweiler, Germany Panoramic Tower Killesberg, Stuttgart, Germany Glass roof Bosch Area, Stuttgart, Germany | 1996 | Ingenieurbau-Preis 1996 commendation: Trade Fair Hall 26, Hanover, Germany |
| 2001 | Preis Attestato Acai 2001 Roman Hot Springs in Baden near Vienna, Austria | 1995 | Rubans d'or, Catégorie - Grands ouvrages d'art Grand prix du jury: Normandie Bridge - A 29 |
| | | 1994 | Hugo-Häring-Preis Membrane roof Gottlieb Daimler Stadium, Stuttgart, Germany |
| | | 1994 | AIV Architekten- und Ingenieurverein Hamburg: Bauwerk des Jahres Wolfgang Meyer Sport Centre Hamburg-Stellingen, Germany |

Awards

- 1993 Europäischer Stahlbaupreis
Bundestag Plenary Hall, Bonn, Germany
- 1992 Deutscher Holzbaupreis 1992
Sport Complex Schorndorf-Oberberken, Germany
- 1991 Ingenieurbau-Preis 1990
Museum for Hamburg History, courtyard roof, Germany
- 1991 BDA - Hugo-Häring-Preis
Footbridge Lake Max Eyth, Stuttgart, Germany
- 1991 Stahl-Innovationspreis '91
2nd prize: Grid shells for plane load-bearing structures
- 1990 BDA - Auszeichnung guter Bauten
Footbridge Lake Max Eyth, Stuttgart, Germany
- 1990 FIP-Award for Outstanding Structures
Footbridge over Rhine-Main-Danube Channel, Kelheim,
Germany
- 1990 Mies-van-der-Rohe-Preis 1990
Museum for Hamburg History, courtyard roof, Germany
- 1989 Stahl-Innovationspreis, 89
1st prize: Parabolic concentrator
- 1988 Ingenieurbau-Preis 1988
commendation: Footbridge over Rhine-Main-Danube Channel,
Kelheim, Germany
- 1988 Design Concept Award
Williamsburg Bridge Replacement Competition
- 1987 pci - Prestress Concrete Institute, State-of-the-Art Award
Publication about precast and pre-stressed concrete
- 1983 Deutscher Architektur-Preis '83
Olympic Ice Rink Roof Munich, Germany
- 1983 BDA-Preis Bayern
Olympic Ice Rink Roof Munich, Germany
- 1983 BDA-Preis Baden-Württemberg
Europahalle Karlsruhe, Germany
- 1982 Preis des Deutschen Stahlbau-Verbandes
Solar Updraft Tower, Manzanares, Spain
- 1979 Paul-Bonatz-Preis
Redevelopment of lower castle garden, Stuttgart, Germany
